

SAVE THE DATE(S)!

Attending the [Ranshofen Light Metal Days](#) in October?

Come earlier and join the 1st MULTI-FUN SpeedTech Forum on the 5th October during the afternoon! This will be an excellent opportunity to meet experts in the Additive Manufacturing field but also SMEs that are emerging in this area! This will also count on the participation of:

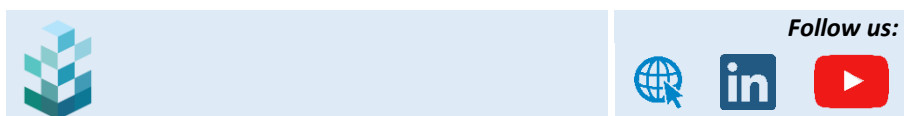

@SUSTAINair and @We3D

Not able to join in Salzburg? Cheer up!
We will be in **Lisbon** just two weeks
after!

Join us at the 1st Annual International
Additive Manufacturing Conference
between the 19th and 20th October!

Registrations to MULTI-FUN SpeedTech-Forums will open soon
